

MAY 2022

DENNINGTON ALLOTMENT AND GARDENERS' ASSOCIATION

The Allotment continues to be enjoyed and well looked after by our members, and despite a distinct lack of rain so far this spring the plots are well prepared for the new season.

The highlight of the summer was the Village Fete with the number of visitors to the Allotment beyond our expectations. Robert Rous kindly presented the winning prize for our 'Scarecrow Competition' and we had two generous baskets of our produce to be won with our raffle tickets, selling forty eight raffle strips on the day.

It was a pleasure to chat with the visitors and to hear their comments and appreciation of the plots, especially after all of the hard work put in by our members.

Once again we thank Robert Wardley for providing his grass mowing skills throughout the year, and we also thank Nick Watts for maintaining the perimeter trees, hedging and ditches.

We are pleased to confirm that we currently have full occupancy of the Allotment. The finances remain in good order with the Treasurer maintaining a cash balance of just over £850.
